

# Political Engagement Grant

To support the development of meaningful relationships between locals and elected officials, the Alberta Teachers' Association offers an annual Political Engagement Grant.

Locals that develop a political engagement plan may be eligible for a grant in the amount of one-half of the cost of implementing the plan to a maximum of \$600. The grant may be paid in two instalments, the first to a maximum of \$300 on approval of a political engagement plan and the remainder on receipt of expenses and a report of activities undertaken.

A template is enclosed. Please send your political engagement plan to Jonathan Teghtmeyer at the address below or by using the electronic application form available on the Local Political Engagement Officers' collaborative website. If the plan is approved, funds will be transferred electronically to your local.
