### HUMAN RIGHTS AND ALBERTA SCHOOLS

The United Nations Universal Declaration of Human Rights proclaims 30 fundamental rights belonging to every human on the planet. In Alberta, there is various legislation enabling those rights, including the *School Act*. It requires school boards, students and parents to help make our schools welcoming, caring, respectful and safe learning environments that respect diversity and foster a sense of belonging.

**Laws, policies and declarations supporting human rights are only words until humans give them life. Humans like you.**
