# LEARNING TOGETHER PUBLIC EDUCATION IN ALBERTA

Public education in Alberta provides students from all backgrounds with learning experiences to help them discover and develop their potential, their passions and their gifts.

Not all newcomers to the province know how proud Alberta is of its exceptional public education system, which offers high-quality programs and services to all children and youth. As one of the first organizations new Albertans may visit, the Alberta Teachers' Association invites you to help us by distributing our new publication, *Learning Together: Public Education in Alberta*.

The English version of this publication is attached. It is also available in Arabic, Chinese, French, Hindi, Korean, Punjabi, Russian, Spanish, Tagalog, Thai, Ukrainian, Urdu and Vietnamese.

To order your free copies, please complete the order form below.
