Year-Long Exchanges

for Teachers

The Alberta
Teachers' Association

Alberta

How does it work?

Year-long exchanges are available to full-time teachers.

- You teach in your exchange partner's school and live in his or her home. In turn, your exchange partner teaches in your school and lives in your home.
- You learn about a new culture and a new educational system, and experience both professional and personal growth.

“I feel refreshed and changed as a teacher and I am really enjoying all the insight and growth I have experienced in the past year.”

—Exchange participant

What costs do I cover?
