It is the responsibility of the applicant to understand their extended health benefits while on exchange.

6.3 Professionalism

Educator exchanges are professional obligations. Service in the exchange school/district must be undertaken with the same commitment as service in an Alberta/home country school. Any breach of this professional obligation has serious consequences.

6.4 Casual Sick Leave

In Alberta, the host school board is responsible for substitute educators for the first 20 days of approved leave for personal illness of the visiting exchange educator, and for similar approved and excusable absences. The sponsoring school authority is liable for the substitute educator costs for:

- all additional days of illness of its exchange teacher in excess of 20 days and
- all days of unexcused or unapproved absences of its own educator.

In the foreign destination, casual sick leave will adhere to the casual sick leave policy in the host school

6.5 Professional Leave

In Alberta, at least five (5) days' leave (with the host board covering the cost of substitute educators) should be allocated for professional development experience of the exchange educator, in addition to participation in all regular professional development activities provided by the host school system. On the Alberta side, one (1) day of allotment is designated to release the incoming exchange educator to attend the orientation conference in Edmonton (date to be determined).

6.7 **Strikes**

Exchange educators shall not get involved in any strike action.

6.7.1 **Alberta Exchange Educators**

In the case of a strike in the host district, the exchange educator will continue to be paid by the home district and thus is required to continue employment with the host district.

9.0 ACCOMMODATION (applies to year-long exchanges)

Educators are obliged to provide adequate housing for their exchange partner. Participants often provide their own homes, but this is optional, as other arrangements can be made. If accommodation is exchanged, the responsibility for mortgage or rent in Alberta and the cost of insurance for the home and its contents must continue to be borne by the Alberta participants.

Exchange accommodation must be complete with furnishings, bedding, appliances and facilities ready for immediate use by the visiting exchange educators and families.

Exchange educators are expected to maintain the home in good order and condition, and make good any damage incurred during their stay.

Accommodation exchanges are personal matters between the exchange educators. The Alberta Teachers' Association will take NO responsibility for any disputes between the parties. Written agreements are strongly recommended.

- 12.4 In cases 12.2 and 12.3, the sending authority will cover full or equivalent costs of a replacement educator for the remainder of the exchange term.
- 12.5 An educator whose exchange assignment is prematurely terminated as a consequence of external factors should have priority for a new exchange in the next program year.
