

# More students + teacher shortfall = *larger classes*

**DOWN  
3,000  
teachers**

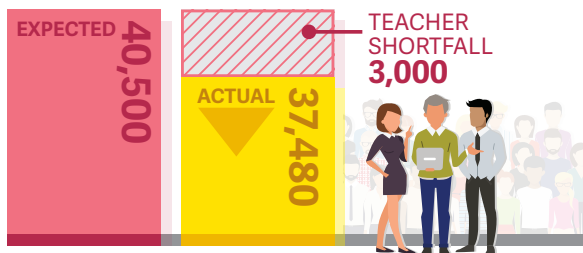

Since 2009 Alberta has experienced an increase of 100,000 students, but growth in the number of teachers has not kept pace.

#MyClassSizeIs #AbEd

## LEGEND

- Student enrolment
- Expected teaching force if 2009/10 student-to-teacher ratio were maintained
- Teacher shortfall
- Actual teaching force

## 2016/17 Teacher Population

## Gap increase
