Substitute Teachers Committee

In 1987, the Substitute Teachers Committee became a standing committee of the Alberta Teachers' Association to serve in an advisory capacity to Provincial Executive Council (PEC). This committee has played an important role at the provincial level on behalf of this significant group of members.

The Substitute Teachers Committee studies the unique problems, concerns and needs of substitute teachers. Among other activities, the committee also plans the provincial annual conference for substitute teachers.

The committee consists of one member of Provincial Executive Council (as chair), four substitute teachers, one in-school administrator, one non-school administrator and one Association executive staff officer (as secretary).
